

**UNITED INSTITUTE OF PHARMACY,
PRAYAGRAJ
INTERNAL QUALITY ASSURANCE CELL
(IQAC)**

Vision and Mission

Internal Quality Assurance Cell of UIP persistently perseveres to establish a system of quality assurance to continuously address, monitor and evaluate the quality of education offered to students, thus promoting effective teaching-learning processes for the benefits of our students and making our institution a center of excellence in pharmaceutical studies while promoting research and innovation as integral to system.

About IQAC-UIP

One of the emerging challenges faced by any higher educational institution is the development, application and maintenance of quality benchmarks in all its key performance areas. The purpose of establishing Internal Quality Assurance Cell (IQAC) in United Institute of Pharmacy, Prayagraj is to institutionalize the process of quality sustenance and enhancement of learning experience at UIP. This nodal cell has been constituted as per the guidelines issued by University Grant Commission (UGC) and National Assessment and Accreditation Council (NAAC).

The UIP-IQAC works for ensuring continuous improvement in the entire operations of the institution and assuring all the stakeholders connected with academic programs of the institution, namely parents, teachers, staff, employers, funding agencies and society.

In general, IQAC is to generate good academic ideas and practices. It seeks to work for planning, implementing, and measuring the outcome of academic and administrative performance of the institution.

Objectives

The primary objectives of UIP-IQAC are:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
